

Making Films Work.

INDIEWORKS. We're crew, not suits. We work fast and smart and we take pride in our expertise. We know our way around productions and the agreements you will need, whether you're making a big budget feature or a DIY webisode. Call on us to work with you through the entire process or just to take your picture across the finish line. We're here to help you realize your project, and we'll stick around long after craft services has moved on to the next set.

INDIEWORKS is a division of Business Affairs Inc., a California law corporation.
